Ohio law requires that males 18-25 register with the Selective Service System. This requirement covers men residing in the U.S. who are U.S. citizens or noncitizens (lawful non-immigrants are not required to register if they maintain that status). **Residents who are not registered or have not indicated they do not need to register by the first day of the semester are REQUIRED by Ohio law to pay the OUT-OF-STATE tuition and will be INELIGIBLE for various State of Ohio FINANCIAL AID programs (Section 3345.32 of the Ohio Revised Code).**

Please place a check mark next to the statement that describes your circumstances, attach a copy of any required documentation, and sign and date below.
