 1. We are having a huge nerf war campus-wide that lasts a week on campus. I need some of the leaders to step up to be lead parts of the event. There’s a moderator, who helps regulate disputes, ensure members follow the rules and plan specific missions and such. I’m passing around a sign-up sheet if you’re interested in helping further this along. The event begins 3-28 and ends 4-3.
 2. Question, I’ve seen the flyers around, the discord is blank and there’s nothing there?
 1. That’s why we need some help, a lot of preparation is needed in a short time, we haven’t had time to set the discord up yet.
 3. If we sign up for moderating, can we still participate?
 1. Yes of course!
