RESOLUTION 2013.2

Shawnee State University Development Foundation Policy 17.0

SUMMARY OF CHANGES TO "17.0 Funding for the Development Effort"

17.0 Funding for the Development Effort.

17.1 Salaries, benefits, office equipment, and general fund-raising expenses shall be shared by the University general fund and the Development Foundation. Funding from the Foundation will come from unrestricted funds, short-term earnings on restricted funds, and a modest fee from the earnings of endowments. Funds will never be allocated from the corpus of restricted funds, endowed or short-term.

17.1.1 Unrestricted funds will be used to underwrite the Foundation budget (see Policy 19.2), particularly Foundation grants as well as the expenses associated with the operations of capital or major gift campaigns. They will also be used for projects at the request of the President and approval of the Foundation board.

17.1.2 Earnings from non-endowed fund balances shall be posted to the Operating Reserve Fund and used to fund the Foundation budget.

17.1.3 As has been the practice, the spending policy adopted annually by the Foundation will be applied to the endowed unrestricted fund account to be used as are unrestricted funds, to include operation. (See Policy 19.4).

17.1.4 As of July 1, 1997 new restricted endowed gifts will have a portion of their earnings allocated to the Operating Reserve Fund to help defray operating costs. Specifically a percentage, not to exceed 1% of a three year moving average value of the restricted endowment gift, will be allocated to the unrestricted category for the above purpose. That percentage is subject to a review, not less than biannually or annually, by the Board. The value of the restricted endowment gift is measured as of December 31 of each year. Until the three years of value can be determined, the allocation will be determined on the value of the restricted endowment gift as of December 31 of the current year.

17.1.5 Gift Fee Procedure: All gifts in excess of \$5,000 will automatically be assessed a 5% fee on gift principal at the time of receipt for the purpose of funding Development Foundation operations unless one of the following conditions are met: (1) The department or division benefiting from the gift may elect to pay the fee (rather than the fee being deducted from the gift principal) when the terms of the gift specifically disallow a fee or cost recovery; or (2) The University President has the authority to grant a waiver from the gift fee and this is used in rare cases only.

17.2 Expenses for special events--dinners, receptions, etc.-- will be subtracted from the funds raised by that event. The net earned will go into the Development Foundation and may be earmarked for a specific benefit, if appropriate.
