	APPROVED BY:	B.O.T.

1. Shawnee State University's campus, including its buildings, grounds and other property, is dedicated for the educational mission of the University. As such, the President may establish procedures that place reasonable controls and safeguards on use of University grounds and outdoor spaces, including procedures that address solicitation and other forms of expression for the purpose of limiting disruption or interference with the University's administrative and educational functions.
2. Use of University facilities are primarily for the educational and administrative functions of the University. The President may establish procedures that allow use of certain facilities and outdoor space for non-university meetings and other events. Such procedures should ensure that use by non-university groups do not interfere with educational, administrative and student activities. The President may establish fees and place reasonable conditions for use of University facilities.
