As a result of Ohio Senate Bill 9, Shawnee State University is responsible for obtaining the attached Declaration Regarding Material Assistance / Non Assistance to a Terrorist Organization (DMA) form (Exhibit E) from any vendor with an annual aggregate amount greater than \$100,000.

Additional DMA forms and reference information, including a list of licenses subject to DMA and the Terrorist Exclusion List, can be found on the Ohio Homeland Security website at www.homelandsecurity.ohio.gov/dma.asp. The forms are in PDF format. Please complete the attached DMA form (Exhibit E) and return it to us with your completed proposal.

Section 3 — Standard terms and conditions of the RFP process

3.1 Inquiries and interpretations: Bidders should carefully read the information contained herein and submit a complete response to all requirements and questions as directed. Only information contained in this RFP or supplemental written information supplied by the University should be considered in preparing proposals. No verbal interpretations, changes, or modifications should be considered in preparing the proposal. All assumptions made by the respondent must be clearly stated in the proposal and qualifiers must be placed in context.

- 1) The respondent understands and agrees that it has the duty to explain and clarify any and all conditions imposed on or included in its responses to this RFP. Respondent further understands and agrees that it has an affirmative duty to inquire about and clarify any RFP statement that the respondent does not fully understand or that respondent reasonably believes may be susceptible to more than one interpretation.
- 2) Responses to inquiries that directly affect an interpretation or change to this RFP will be issued in writing by addendum (amendment) and posted to the Purchasing Department's website at (www.shawnee.edu/off/prch/RFP.html). All such addenda issued by the University prior to the time that proposals are received shall be considered part of the RFP, and the bidder shall be required to consider and acknowledge receipt of such in their proposal.
- 3) Only those inquiries to which the University replies by formal written addenda shall be binding. Oral and other interpretations or clarification will be without legal effect. The bidder must acknowledge all addenda in their bid response.

3.2 Proposal preparation and submission requirements: In order to be considered for selection, vendors must submit a complete response to this Request for Proposal. All aspects of the proposal must be clearly explained; the bidder should not assume an opportunity to add further information will exist after submission. Proposals should follow the chronology of the RFP.

- 1) All bidders shall provide one (1) original and three (3) copies of their proposal. Each copy of the proposal should be bound in a single volume and marked either "original" or "copy." All documentation submitted with the proposal should be bound in that single document. The bidder shall make no other distribution of the proposals.
- 2) All prices must be clearly set forth. Bidders are cautioned to write all descriptions and prices clearly so there is no doubt as to the intent and scope of the proposal. Erasures and other changes in the proposal must bear the signature or initials of the bidder. In the event of a price discrepancy, unit prices will prevail.
- 3) Bidders may return sealed proposals to the University via first-class mail, certified mail, return-receipt requested mail, express mail, express delivery service, or hand-delivery. E-mailed and faxed responses will not be considered. Receipt of a proposal by the University mail system does not constitute receipt by the Purchasing Department. Proposals received after the submission date and time will not be considered. Requests for extension of submission date and time will not be granted unless the University determines, at its sole discretion, that the original due date appears impractical. Notice of any extension will be provided in writing to all known bidders via an addendum and will be posted on the Purchasing Department's website.
- 4) Proposals should provide information essential for a straightforward and concise description of the respondent's capability to satisfy the requirements of the Request for Proposal. - 7) Proposals and any other information submitted by bidders in response to this Request for Proposal shall become the property of the University.
- 8) The University will not provide compensation to bidders for any expenses incurred by the bidder(s) for proposal preparation or for any demonstrations that may be made, unless otherwise expressly stated. Bidders submit proposals at their own risk and expense.
- 9) Proposals that are qualified with conditional clauses or alterations or items not called for in the RFP documents, or irregularities of any kind, are subject to disqualification by the University as its option.
- 10) Failure to comply with the requirements contained in this RFP may result in the rejection of the proposal.

3.3 Proposal Format: Each proposal should be prepared simply and economically, providing a straightforward, concise description of the bidder's ability to meet the requirements of this RFP. 3.4 Signatures required: The RFP cover sheet and Exhibits A, B, C, D, and E must be signed and completed by the person authorized by the bidder to sign such documents on their behalf. Failure to sign the proposal or submit the required signed forms may disqualify the proposal. Any proposal, which does not include prices, terms, the RFP number, date, and a realistic delivery promise may be considered an incomplete proposal.

3.5 Experience and references: Shawnee State University seeks a contractor that has demonstrated past successes on projects of similar size and scope. Each bidder shall provide at least three (3) references from completed projects of similar size and scope. Reference listing should include:

3.9 Alternates and variations from requirements: Wherever items or services have been specifically described, such identification is descriptive and not restrictive. If the bidder has an equal, alternative proposal, that alternative must be clearly and completely described. The University will consider alternates that meet or exceed the quality and characteristics specified. The University is not bound to accept any proposals that are not in its best interest. The determination as to acceptability of the alternate offered is the responsibility of the University and will be based on information furnished by the bidder, as well as information reasonably available to the University. Unless the bidder clearly indicates that an alternative is being offered, it will be assumed that the proposal meets the requirements exactly as specified in this document. **CAUTION TO BIDDERS:** It is not the responsibility of the University to secure any information not identified in the bidder's proposal. Information furnished may include specific references to catalogs, brochures, or other material previously furnished. Otherwise, such information must accompany the proposal.

3.11 Qualifications of bidders: The University may make such investigations as it deems necessary to determine the ability of the bidder to perform the work and reserves the right to visit the factory or factories to inspect the products in the process of manufacturing. The bidder shall furnish to the University all such information requested and shall cooperate on any inspection trips.

- 1) The University reserves the right to reject any bid if the evidence submitted by, or investigation of a bidder, fails to satisfy the University that a bidder is properly qualified to carry out the obligations of the contract. The successful bidder will be responsible for all required county, city, and state permits.

3.12 Selection of proposals: Shawnee State University intends to accept the offer that is most advantageous, in the opinion of the University, based on its assessment of how well each proposal meets the criteria for evaluation. In order to be technically sufficient, a proposal must be fully responsive to all the requirements stated in the RFP. An award for the services specified in this RFP may be made following the evaluation of the responses, with or without further negotiation with bidders. The University, in its sole best judgment, shall decide if an award will result from this RFP. The University reserves the right to reject any and all proposals received as a result of this RFP, to modify proposals, or to negotiate separately with any source whatsoever, in any manner deemed to be in the best interest of the University. Representations made within the proposal **will be binding** on responding firms. The University will not be bound to act by any previous communication or proposal submitted by the firms other than this RFP. The University makes no guarantee that an award will be made as a result of this RFP.

3.13 Bidder's acceptance of evaluation methodology: Submission of a proposal indicates bidder's acceptance of the evaluation technique and bidder's recognition that some subjective judgments must be made by the University.

3.14 Validity Period: Proposals are to be valid for the University's acceptance for a minimum of 90 days from the submittal deadline date to allow time for evaluation, selection, and any unforeseen delays.

3.15 Terms and conditions: The Standard Contract Terms and Conditions (Section 5) shall govern any Contract issued as a result of this Request for Proposal.

The bidder, by submitting the proposal or performance which results from an award by the buyer, agrees not to discriminate against any employee or applicant for employment because of race, color, creed, religion, sexual orientation, national origin, sex, age, handicap or Vietnam era veteran status. The vendor further agrees that every sub-contract for any ensuing order will contain a provision requiring non-discrimination in employment as specified above. This covenant is required pursuant to Executive Order 11246, Laws & Regulations of the State of Ohio. Any breach thereof may be regarded as material breach of contract or purchase order and cause for cancellation

3.17 Suspension or debarment: In submitting its proposal or in its performance under an award by the University, the successful bidder certifies that it is not suspended or debarred by the Federal Government or the State of Ohio from participating in Federal or State funded projects.

3.18 Findings for recovery: Ohio Revised Code (O.R.C.) Section 9.24 prohibits Shawnee State University from awarding a contract or agreement to any bidder(s) against whom the Auditor of State has issued a finding for recovery if the finding for recovery is "unresolved" at the time of award. By submitting a proposal, the bidder warrants that it is not subject to an "unresolved" finding for recovery under O.R.C. 9.24.

3.19 Ohio Senate Bill 9: As a result of Ohio Senate Bill 9, Shawnee State University is responsible for obtaining the attached Declaration Regarding Material Assistance / Non Assistance to a Terrorist Organization (DMA) form (Exhibit E) from any vendor with an annual aggregate amount greater than \$100,000.

- 1) The DMA form was created to provide the state with an additional tool to deter and prosecute acts of terrorism within Ohio. The U. S. State Department's Terrorist Exclusion List is being used to identify terrorist

Bidders must complete the attached DMA form (Exhibit E) and return it with their completed proposal.

3.20 Ohio House Bill 684: The bidder, by submitting a proposal, certifies that all applicable parties listed in Division (I)(3) or (J)(3) of O.R.C. Section 3517.13 are in full compliance with Divisions (I)(1) and (J)(1) of O.R.C. Section 3517.13.

3.21 Costs incurred by bidder: The bidder, by submitting a proposal, agrees that any cost incurred by the bidder in responding to this RFP, or in support of activities associated with this request, are to be borne by the bidder and may not be billed to the University. The University will incur no obligation or liability whatsoever to anyone by reason of issuance of this RFP, or action by anyone relative thereto.

3.22 Ownership of material: Ownership of all data, material, and documentation originated and prepared for the University pursuant to the Request for Proposal shall belong exclusively to the University.

3.23 No bid requirement: Bidders who are unable to respond are requested to date and sign the signature sheet, indicate "NO BID" and give a brief explanation, and return the price inquiry before due date.

All information, except for items reasonably identified by bidder as trade secrets or proprietary information, are subject to public disclosure under Ohio Revised Code Section 149.43. Bidder shall be solely responsible for protecting its own trade secret or proprietary information, and will be responsible for all costs associated with protecting this information from disclosure. University shall keep one (1) copy of proposals in accordance with its record retention schedule.

3.26 Conflict of interest statement: By fulfilling the requirements of this RFP, bidder acknowledges that no conflict of interest exists between the bidder and Shawnee State University, or consultant and its employees, or any members of their families in relation to any university policies or guidelines or state laws. Any person who acquires a conflicting personal interest as of the date the work herein is to begin shall immediately disclose such interest to the University in writing. Vendor shall not participate in any action affecting the work under this Agreement, unless the University has determined that such participation would not be contrary to public interest.

3.27 Gratuities and gifts: The University may immediately disqualify any bidder from the selection process if it is found by the University that gratuities, in the form of entertainment, gifts, or otherwise, were offered or given by the bidder, or any agent or representative of the bidder, to an officer or an employee of Shawnee State University in an effort to secure a contract or favorable treatment with respect to the awarding of a contract. In the event that the bidder is disqualified by the University pursuant to this provision, the University shall be entitled, in addition to any other rights or remedies available at law and equity, to recover any costs incurred, or withhold the cost incurred by the Supplier, in providing such gratuities.

Price reductions shall be passed on to the University when and as they occur.

4.4 Delivery: Time of delivery of all items included in this Agreement is of the essence.
