

RFP #02-07-09 Motion Capture System

Addendum No. 2

Shawnee State University

July 20, 2009

Please note the following clarifications to RFP #02-07-09.

CLARIFICATION: Preference will be given to proposals of systems that facilitate system integration, via an open architecture software development kit (SDK), to access data in real time to plug-ins and scripting commands.

AMENDMENT: Section 2.9 is amended to read: References: Each bidder shall provide, as references, three recent (within the past year) purchasers of the system they are proposing. One of the references should be an academic institution, whose scope of effort was similar to that requested by Shawnee State University. References shall include name and title of contact, name of institution, address, phone number, and email address (if available).
