COURSE INFORMATION

STEM and Foreign Language Academy participants will complete one or two college courses (up to 7 credit hours) during the 2009 Summer Academy, choosing from among the courses listed below. Please indicate your course choices in order of preference with 1 being the course you are most interested in taking and 3 being the one you are least interested in taking. Some courses are more popular and fill quickly, however, every effort will be made to honor your first and/or second choice of courses. **Students taking Spanish MUST have one year of high school Spanish, and no more than two years. Students taking chemistry MUST have completed Algebra I and received a grade of "C" or better. (Due to the number of class and lab hours required, students taking chemistry are limited to this 5 credit hour class only)**
