DIRECTIONS

The response to the following questions will be used to determine acceptance into the Game Programming and Simulation course.

- ✚ Are you interested in learning how games are made?
- ✚ Which aspects of game development interest you most?
- ✚ What are your favorite classes in high school and why are they your favorites?
- ✚ If not among your favorites, do you enjoy math and science? Explain why or why not.
- ✚ Do you enjoy working on class projects at school? Explain why or why not?
- ✚ Complete the following prompt using 250 words or less. Please be as concise and persuasive as possible, using outside interests and/or experiences that may enhance your essay.
- ✚ I feel I am an outstanding candidate for this course because...
