    2. The Department of Public Safety is about to receive a safety grant and will be using it to upgrade our surveillance cameras, some of our systems are aging 10+ years, and if you have seen the difference in phones in the previous 10 years, the difference is amazing.
    3. The Police department is getting walk-through scanners for larger events and a bag scanner. The walkthrough scanners are mobile and will only be used for larger campus-wide events like Homecoming.
    4. Please remember, the Department of Public Safety offers an escort service if you want to be escorted to wherever you want on campus, unfortunately, we cannot take you off-campus.

5. Executive Reports
  1. President

- a. I had a meeting with Dr. Ahuja, and we went over the same kind of issues as I previously did with the president, about Covid, Delays, and Snow days.
- b. Last Summer the university switched over to the J1 system, and everyone gave lots of feedback. Thanks to that feedback we found some specific issues with the system, a team created a list of issues that needed to be fixed in J1. Things are changing and moving through, when the registration period comes around this semester, hopefully, many of them will be fixed.
- c. I still need information for the Board of Trustees meeting report, let Sofiiia know if your clubs have done any cool events recently or want to be highlighted during the meeting.
- d. You should have received an email from Student Life, about Library sessions. If anyone is struggling to use blackboard or the library resources, it's a great opportunity to learn more about those sources. They will be covering Blackboard basics and how to research using online resources.

2. Vice President

1. We will continue to be implementing Robert's Rules, just a quick review here's what we covered last week:
  1. Point of Privilege – A complaint
  2. Point of Information – Clarification of facts
  3. Point of order – When the chair or other representatives are not following parliamentary order
  4. Point of Parliamentary Inquiry – Confused about proceedings or rules
2. New Robert Rule added: Amending a motion. Amendments can be posed for when changing the Student Government constitution and changing previous minutes. To start, address the chair then "I move to amend the motion by ...." Then you add whatever you think needs amended. Amendments can't go further than the second amendment. Afterward, a vote to approve the amendment is needed.

3. Secretary

1. Nothing to report

4. Club Coordinator

1. Reminder that you must fill out a permission to spend form when using club funds, it is the same form as last year, simply fill out the organization info, and send it to [jcook@shawnee.edu](mailto:jcook@shawnee.edu) after finished. She will later send back a DocuSign document that you sign to spend the funds.
  2. We are starting club reporting this month, and every club must report once a month. To prevent clubs from getting assigned a time with nothing to report, clubs can sign up for specific times in the Microsoft teams at Club Report > Spring 2022 > Club Reports (SP22)
5. Advisor
1. Hopefully everyone received an email about the Title 9 hazing training, I have been talking about it all semester and last semester. All students must be in compliance, we're counting on all of you to make sure all your club members are taking it.
  2. I have taken the training multiple times, very easy training to follow. Faculty and staff are also taking the training. If you haven't received the email, it's because the emails are staggered. If you still can't find it you might have to use the search email function to find it, it could also check your other email folder.
  3. Anyone that is considered a group of students must take the anti-hazing training, February and September are the 2 months of the year the college focuses on hazing training. Hazing is now a felony in Ohio.
  4. This Thursday (2/3/2022) we have a spring resource fair for everyone to attend, over 20 offices on campus will be at the fair, you can easily talk to anyone you may need to since all offices will be there, plus you have a chance to win some prizes.
