Appeals must be submitted by the following dates:

**Fall Semester: July 1    Spring Semester: November 1    Summer Semester: March 1**

# Appeals for Reinstatement

## Eligibility

When a student is suspended or dismissed, he or she may appeal for reinstatement, but normally reinstatement will not be granted sooner than one academic year (three semesters) after your suspension, or two full years (six semesters) after your dismissal. Reinstatement may be permanently denied to students who have been previously academically dismissed.

Reinstated students must earn a term GPA of 2.0 or higher upon returning or he or she will be academically suspended or dismissed.

## Helpful Hints for completing your Appeal for Academic Re-instatement

Describe in detail the reasons for your non-productive behavior that resulted in your suspension or dismissal. Be very specific. Describe your study habits, the amount of time you dedicated studying, your choice of major and the courses you took, the conditions under which you lived while attending school, your involvement in social, athletic, or other activities, such as employment, and any other documentation relevant to your poor academic performance. Documentation of circumstances could include: medical records, police records, obituary, support letters or other relevant documents.

Explain in detail what you have been doing since your suspension, including employment and/or any classes you attempted at another university/college. What were your responsibilities as an employee? How many hours did you work each week? Have you lived at home or been independent? How has this experience helped you prepare to return to Shawnee State University?

Be clear about your strategy for a successful return to the university. Do not make vague statements, e.g., "I plan to study more." Explain your choice of major and the courses you plan to take/retake. The Academic Appeals Committee encourages you to meet with your academic or college advisor to establish an academic plan. Clearly state the academic goals that you have set for yourself. Include a list of courses you plan to take your first term and why. **Please limit your appeal to two pages.**

If you have taken classes while away, contact the Registrar's Office of that institution to order an official transcript to be sent to Shawnee State University prior to the deadlines stated above. The transcript must be sent directly from that school to Shawnee State University.

Finally, your appeal must reach the Student Business Center by the deadlines stated above. Fax or mail your appeal to the fax number or address below so that it is received by the stated deadline.
