

# LOOKING FOR A GREAT CAREER IN OHIO?

THE INSURANCE INDUSTRY IS A KEY ECONOMIC DRIVER OF OHIO'S ECONOMY.

The insurance industry contributes

**39%**  
more to GDP

&

**23%**  
more to employment

than one would expect in an economy of Ohio's size.

opening between now and

**2024**

If these positions are not filled, the growth of Ohio insurance companies will be suboptimal.

Ohio's insurance industry will require approximately

**29,000**

new workers to fill positions

GROWTH OF THE INSURANCE INDUSTRY MUST BE FUELED BY KNOWLEDGEABLE, SKILLED WORKERS.

## WHAT JOBS ARE NEEDED?

Sample occupations such as those listed below represent the variety of positions that require talented people to fill them:

Accountants

Marketers

Insurance adjusters, examiners and investigators

IT specialists and programmers

Registered nurses

Insurance sales agents

Insurance underwriters

General and operations managers

First-line supervisors of office and administrative support workers

Customer service representatives

Claims examiners

Administrative assistants

Twelve colleges and universities across the state of Ohio offer insurance education programs at the certificate, associate, bachelor's and master's degree level.

In 2012, Ohio had only one insurance student. The growth of enrollment today is supported by the persistent and active support of the industry.

The Insuring Ohio Futures initiative supports these programs, ensuring that education and businesses connect so both can prosper.

The result? Ohio's insurance companies are eager to hire the talented graduates of these programs, and great careers begin.

## GET A GREAT JOB.

The Insuring Ohio Futures program is a unique program powered by insurance companies, colleges and universities and the State of Ohio. It connects great people with great careers in insurance.
