5. Executive Reports
  1. President
    1. Meeting with Dr. Bauer about COVID, as the attendees probably know the covid numbers are increasing, you must make an appointment to get a covid test at Hatcher Hall now instead of walk-ins. If someone gets tested it's their responsibility to reach out to those they've been in contact with, if you have been exposed in class, you will be contacted through email by your professor about what steps the Health Team needs you to take next If you need an excused absence for covid reach out to the health team through email.

2. Decisions about if the college is having weather delay is made that morning when the weather is happening, not the night before. Your safety comes first, if commuting and the daily notice is too short for you, use the best judgment and let your professor know you won't be able to make it to class
