Student Trustee Appointment Process

Each University must have a process for identifying candidates for consideration for appointment as Student Trustees on the University Board of Trustees. This document was developed in consultation with student government leadership and describes that process.

Currently enrolled SSU students in good standing who are Ohio residents are invited to apply for the position of Student Trustee on the Shawnee State University Board of Trustees.

Role of Student Trustees

Membership of the Shawnee State University Board of Trustees includes two student trustees who are appointed by the Governor upon recommendation by the University. The responsibilities of members of the Shawnee State University Board of Trustees include:

1. To learn how Shawnee State University functions - its uniqueness, strengths, and needs;
2. To prepare for, regularly attend, and actively participate in Board meetings and committee assignments;
3. To support the Board and work with fellow Board members in a spirit of cooperation; and
4. To help the Board formulate policies for the University and avoid administration of those policies unless specifically authorized to do so by the Board.

Student Trustees serve for two years. Current enrollment and good academic, social, and financial standing are required for appointment, as well as being an Ohio resident.

The Board of Trustees meets approximately five times each fiscal year, about every other month, beginning in the fall. Board meetings are normally held in the afternoon. Related committee meetings are held on the mornings of the Board meetings. A Student Trustee will be assigned to serve on one of the Board committees which are the Academic and Student Affairs Committee and the Finance and Administration Committee. Trustees are expected to attend meetings of the Board.

Student Trustees should organize their class schedules in a way that enables them to fully participate in Board meetings.

During the academic year, Student Trustees may have the opportunity to attend a statewide meeting of Student Trustees.

Pursuant to Ohio law all appointees to a statutory board or commission are required to file an annual financial disclosure statement with the Ohio Ethics Commission. A financial disclosure statement requires a filer to disclose certain information regarding their personal financial interests and fiduciary relationships for the preceding calendar year. A sample financial disclosure statement is available here <https://ethics.ohio.gov/forms/fds/index.html>. A financial disclosure statement may be a "public statement" which is publicly available, or it may be a "confidential statement" which is not publicly available. The distinction between a "public statement" and a "confidential statement" is based in law and is a function of the particular body that an appointee is a member of. Most but not all uncompensated appointees are "confidential" filers. A listing of these distinctions by particular body is available here <https://ethics.ohio.gov/fds/membersrequiredtofile.pdf>.

Please note, if you currently receive benefits from a state retirement agency, you may wish to discuss with that agency any potential impacts on your benefits should you be appointed to a state board or commission.
