**HEALTH AND SAFETY GUIDELINES FOR STUDENTS**  
*Updated August 18, 2021*

To ensure a safe return to campus Students are expected to follow the health and safety guidelines below.

| **Monitor your health**  
- Students who become ill should stay home, wear a mask around others, inform their Professor/Supervisor, and contact the Health Team by submitting their symptoms through the SSU App Pre-Screening, using the COVID-19 Incident form, by calling the Health Line at 740-351-3276, or emailing COVID19@shawnee.edu  
- Students who are ill or quarantined are expected to provide documentation to their faculty | **Daily Pre-Screening/Vaccinated Pass**  
- Students may choose to keep their vaccination status private and continue to use the SSU App Pre-Screening to receive your Health Pass each day.  
- Students may choose to share their vaccination with the Health Team through the SSU App Self-Report and receive a Vaccinated pass. Once completed, screenshot and save this pass in your favorites. You will not need to pre-screen again unless you become ill.  
- You may be asked to present your Health Pass when attending classes, activities or events.  
- Those with a blue Vaccinated pass will be eliminated from the pool from which weekly surveillance testing will be drawn.  
- Between July 25th and August 30th 2021 those with Vaccinated passes will be entered for a weekly drawing of prizes (Presidential parking space, SSU branded ear buds, wireless speakers, Qi chargers, etc.). | **Daily Pre-Screening Pass**  
- Use the SSU App Pre-Screening to receive Health Pass daily. |
| **Safety & Hygiene**  
- Wash hands frequently or at least 20 seconds.  
- Avoid shaking hands if possible. Cover coughs and sneezes with your elbow—not your hands.  
- Disinfect personal surfaces as desired with provided supplies. | **PPE**  
- Keep a mask available as requirements will be adjusted based on community transmission levels and health authority guidance.  
- Wear a mask indoors when unable to maintain social distance.  
- In your assigned campus housing a mask is not required.  
- A mask is required if you are inside a campus residence that is not your own.  
- Wear a mask outdoors when in large groups and/or anytime social distance cannot be maintained. | **Social Distancing**  
- Assess your environment and adjust furniture to allow social distancing whenever possible. |
| **PPE**  
- Masks are not required while eating.  
- All persons riding in SSU sponsored transportation (rental van, bus, etc.) must wear a mask while inside the vehicle regardless of vaccination status. Vehicles used for transportation may use their full capacity. |
