 - Wondering about the blinds in the Starbucks in the UC? There hasn't been much done about this yet because we are trying to find out where

the funds would come from to pay for the blinds and the university is uncomfortable with having non-Shawnee companies coming onto campus at the moment due to covid.

- No contact thermometer for the university? We will check with Marcie about this
- T-shirts for dungeon crawlers, is there a way that they could safely get those and to pay for them online? Tiffany is going to look into it
