 - Opening up senator positions this week, we will need around 8. Send class schedule, availability and student ID to sga@mymail.shawnee.edu
 - 5.2 Vice President
 - Nothing to report
 - 5.3 Club Coordinator
 - Update presence information
 - 5.4 Treasurer
 - Nothing to report
 - 5.5 Secretary
 - Last Tuesday after the meeting I went through Presence and took the 24 clubs that were approved and funded in the Fall and emailed all of the executive board for each club that at the time did not send us a confirmation email that their presence information is updated. After that, 8 of those clubs have updated their presence and sent us a confirmation email, so thank you guys for doing that and they will be recognized in new business. The remaining clubs that still have not sent us an email stating their Presence information is up to date are
 - Chemistry Club
 - Dungeon Crawlers
 - Freestyle Comedy Club
 - Model Arab League
 - SAGA
 - Student Biological Survey
 - Student Nurses Association
 - Student Veterans of America

- If there has been a mistake and you have sent a confirmation email or if you have any questions, you can mention them now, write in the chat, or stay after the meeting and we can help you.

5.6 Advisor

- Spring Break we are offering events and other activities to encourage people not to go home. Is anyone has any ideas, please reach out to Tiffany
- Remember when you are logging into Presence, if you use that computer for your SSU email, open another tab because the username is your lastnamefirstinitial@shawnee.edu, not @mymail.shawnee.edu
- Summer RA, be watching for emails with more details about it
- Needs Welcome Ambassadors. They are volunteers for WOW and it's a great way to recruit people to join your club

6. Public Views

- Spring Break: students needing tested to come back, is the process going to be the same. Tiffany is going to get more information on this
- Ryan spoke with Dr. Bauer: stated that the tests were coming back less accurate, because they got a cheaper test to give to make the results come back faster and that way if the test is negative, then it's cheap, if it's positive, they'll give you the more expensive test to make sure the result is as accurate as possible
