    - 5.1.1 HLC Recap: Thank you to those that attended the sessions and shared with the HLC committee. If you did not get a chance to share, what are some concerns you have or know that others have here at Shawnee?
      - 5.1.1.1 Responses:

Communication on campus (between students and financial aid, students and advisors), the “Shawnee Shuffle” (students with problems are continually sent to someone else), accessibility on campus (the Vern, health sciences building, lack of ramps, doors don’t always work, Campus View is only handicap accessible housing), being required to have a meal plan as a freshman and sophomore, prioritize staffing in Hatcher Hall, classroom doors in the Vern are heavy and hard to open, elevators in the Vern often don’t work, students have been charged for services they thought to be free in the health clinic, prices listed on items in the bookstore are not what students were charged, game room pool tables and sticks are worn down, vending machine in the ATC on the second floor prices are exponential, vending machine in the Vern on the second floor doesn’t work, Business College will not let you have a paid internship and there is not consistency across campus with internships, hiring process for work-study positions taking a long time, Greek life treatment, registrar is not fixing problems promptly or sometimes at all
